RACE TRACK, SARATOGA, Aug. 4. Hermis, E. R. Thomas's \$60,000 racer, will not go to the post in Saturday's rich Great Republic Stakes.

Hermis worked a mile and a furious in 1.56 this morning. He pulled up very er since his race in the Test Handicap. when he pulled up lame.

Beldame is in grand form just at present. She ran the distance in 1.53 3-5, and was never extended. She is in the Saratoga Cup race and she will undoubtedly e & dangerous factor should she retain her present form.

Stalwart was started again to-day in the handicap. He was favorite, and he ren such an improved race that it seems as if everyday racing agrees with him. He stood a very hard drive, and won cleverly from Dick Bernard. Scarfell. SECOND RACE—Five and a half furcarrying the colors of W. Hendrie, was logs.—Fruit, 7 to 1 and 5 to 2 place, won well backed in this race. He showed a weed, 5 to 2 show, third. Time—1.10 1-2.

The jumping race was the usual farce. the eight horses that started five fell, but there were no serious results. Trek was the winner, but he was greatly aided by the foul riding of his jockey, Dayton. Brush Up was a wellplayed favorite in the third race, but the tell right after the start, and Danseuse, who was clear of the field when the mix-up came, gained a big dvantage and won easily. She was 6 to 1 chance, backed down from 8 to 1. Burnthill, a 10 to 1 chance, secured Burnthill, a 10 to 1 chance, secured the first win of the season for John by St. Denls, 13 to 2 and 5 to 2: Tyrollan, 9 to 2 and 5 to 2, second; Judge Saufley, 30 to 1 and 12 to 1, third. Time 1.02 1-5. fast. The attendance was fair.

Stalwart Closed Strong. Stalwart was the choice in the opening event. Major Pelham was backed and so was Juvenal Maxim, who was backed down from 15 to 1 to 8 to 1. Dick Bernard showed in front right after the start, but was outrun by Scarfell, who led to the stretch, followed by run home Stalwart closed on Dick Ber-nard, and in the last fifty yards drew away and won by a length from Dick Lienard, who was two and a half lengths in front of Scarfell.

Four Fell in Steeplechase. Sea Gull, who was Terrible Terry in his last race, made the running in the jumps, followed by Daylesford and Woden, until they (ell. Then Trek took second place and held it until within half a mile of home. There he went to the front and won after some foul riding, by six lengths from Sea Guil, who was thirty lengths in front of Dremedary. All the others fell.

Pavorite Fel! After Start. Danseuse rushed to the front at the start, made all the running, and won eased up by two lengths from Rubric, who closed strong and beat Golden Sunrise a length for the place. Danseuse was benefited by a mixup right after the start. In which Brush Up, the favorite, was knocked down.

Beldame Galloped Home.

Beldame was a prohibitive favorite in the Alabama, and most of the speculation was confined to place betting on Dimple and Ishiana, the former being a strong choice. Beldame went to the front and merely galloped all the way. She won by four lengths from Dimple, who was second all the way,

Managers of the Vessel, After a Conference with the Federal Authorities. Consent to Have Her Examined-Crew Goes on Strike.

(Special to The Evening World.)

WASHINGTON, Aug. 4.-Although Secretary Metcalf, of the Department of Commerce and Labor, appears to think that the United States Government is powerless to force a reinspection of the steamboat Grand Republic, a contrary opinion is held by Acting Solicitor Sims, of that Department. After an exhaustive study of the laws on the subject to-day he reported that the owners of the boat could be proceeded against under Section 4,454 of the laws controlling the steamboat inspection

Under this law, it is held, the Grand Republic could be seized by the Government and tied up as security for the penalties already incurred. It is reported that instructions have been sent to New York not to allow the Grand Republic to sail to-morrow if her managers persist in refusing to allow a complete reinspection.

"We have done all that is possible up to this time, while acting strictly within the law," said Secretary Metcalf, who succeeded Chairman Cortelyou, of the Department of Commerce and Labor.

"Gen. Uhler has just returned from New York after making a thorou investigation. We cannot act arbitrarily in this matter. All we can do. far as I can learn from the laws governing the steamboat inspection service is to report failure of the steamboat people to comply with the law, to the Collector of the Port. He in turn refers the case to the United States District-Attorney, who takes steps to collect the fine of \$500 for each offe
